

St James Infant School, Daventry
Extended Schools Consultation – Autumn 2007

Extended Schools work with other agencies to provide a range of services for young people and their families to support and motivate them to achieve their full potential. At St James Infant School, we already provide many of these services, but we would like to improve and increase our facilities to support you. It would really help us if you could complete the following survey to help us provide the correct services for your needs, being honest about which ideas you would seriously commit to. As with any consultation, the services discussed are not guaranteed to occur, but will be considered after the consultation process.

All services would involve a fee, unless stated otherwise. Please tick or circle.

Thank you for completing this survey. We hope to receive enough information to tailor services to meet your requirements. However, we would need a commitment of attendance to services in order for us to arrange providers and facilities. We will keep you informed of any progress and may need to consult you again. Thanks again for your time, it is appreciated.
