Dear Parents/Carers,

We have been given the opportunity to hold a “Reach Out and Read” course in our Community Room (the building at the bottom of the playground). This course is run by the charity ‘Volunteer Reading Help’ and therefore completely free of charge. It is an opportunity to receive training, ideas and resources to help your child with their reading at home. If you attended the course, you would receive a copy of all the guidance notes to help you continue with the reading ideas shown.

The sessions will be held at 9.00am to allow you time to bring your child to school. The dates for these sessions are **Monday 17th March and Tuesday 18th March** 2008. We have the facilities for 12 parents to attend each session, therefore, a total of 24 parents, as long as we have a balance between the two groups.

Please complete the slip below to register your interest and return to your child’s class teacher. Please tick which day you could attend, or if you are flexible and can be allocated to either. Places on the course will be allocated on a **first-come, first-served basis** in each year group to ensure an even spread. We will then contact you to let you know if you have a place and how the sessions will be run. If circumstances change, please let us know you can no longer attend so we can allocate the place to someone else.

Many Thanks

Stephanie Harvey
Deputy Head Teacher
